

## Photo Art Session T&Cs

Our 'Photo Art Sessions' combine photography & magic to create a unique image. At your session, photos are taken against our green screen backdrop. Images are then edited with the background removed & the subject/s photoshopped into our Easter Digital Backdrops; Easter Bunny on Bench & Bunny Trail.

### **\$50 package includes:**

- \* approx. 10-20 Minute Session, time may be significantly less if photos are taken quickly.
- \* Max 3 people per session, NO pets allowed
- \* 2x Easter themed Digital Photo Art images; "Easter Bunny on Bench" & "Bunny Trail". These high res .jpg images will be sent to you via a Dropbox link for you to download, save & print yourself within 2wks of your session.

**Easter Bunny on Bench** image measures 50.8cmx40.64cm.

**Bunny Trail** image measures 25.4cmx17.78cm

Two different poses will be captured to suit each backdrop. If any extra backdrops are purchased as add-on items to your booking, a previously used pose will be re-used for this. NO additional pose will be captured/used.

Extra items can be added to your booking. These can be added on at any stage. If you pre-order an extra backdrop/s at time of booking or on the day of your session, these will be included in your drop-box folder with your included 2x backdrops. If ordering printed extras, an ETA will be provided separately to you. Depending on where you live these will either be delivered to you personally or posted to you via Australia Post at no extra cost (includes a tracking number).

All sessions will take place at the **Parish Office of Lefevre Catholic Community; 253 Military Road, Semaphore** (next to the Sacred Heart Church)

**Please arrive at least 5mins before your session starts as multiple sessions are scheduled for the day & time constraints apply.**

If you arrive late, your session time will be reduced & may result in the same pose being re-used for all digital backdrops as there will not be enough time to capture 2 different poses. **NO** refunds/partial refunds/discounts/credits, etc. will be provided in this instance.

20% of your session fee will be kept as a non-refundable deposit if you cancel your session up to 48hrs before the day. Cancelling within 48hrs of session or failure to show at your designated session time will result in a cancelled booking & you will forfeit 100% of your session fee. **NO** refunds/partial refunds/discounts/credits, etc. will be provided in this instance.

**NO WALK IN APPOINTMENTS!** If bookings for Saturday March 9th reach capacity, a second date of sessions - March 16th will be added. T&Cs as previously outlined above will apply for **ALL** session dates/times.

**FULL** Payment is to be made at time of booking. If you select the wrong option online and/or need to be manually invoiced, payment **MUST** be made within 24hrs via bank transfer to secure your session - you will be sent an invoice for a bank transfer. Failure to pay will forfeit your session - only 1 reminder will be emailed before your session/spot is forfeited & session re-listed/offered to others.

Many photos are taken on the day to ensure **THE 2 BEST** poses are captured to suit our digital backdrops. All other photos not used are deleted and are not available for viewing/use or purchase in any other way.

**NO RAW/UNEDITED** photos will be given or shown to you. Composite image supplied is **FINAL**; no re-edits will be made.

If you're happy for your final composite images & BTS videos captured on the day to be used as an example on our website, advertising & social media pages (YouTube, Facebook & Instagram), please use code: **ADVERT5** at the checkout for a 5% discount OFF your total 'Photo Art Session' purchase. A release form will be emailed to you which you must sign & return BEFORE your photo/s are taken.
